ABOUT CHEF MAHMUD RAHAL

Born and raised in Jordan, Mahmud graduated from Culinary Arts, Amman, in 1998. After some years working in Jordan, he moved to Bahrain and then to Dubai, where he worked in various Hotels as an Executive Chef for about eight years.

In 2011 he moved to Switzerland where he worked in luxury Hotels such as Bürgenstock Hotels and Resort at lake Lucerne, the world-famous Hotel Baur au Lac in Zurich, and Hyatt Regency, the Circle at Zurich Airport.

After spending a decade in Switzerland, he added to his oriental cuisine experience the European and modern cooking style. He likes to create new dishes combining traditional middle eastern flavors with western ingredients.
